ME COMPUTER (ENGINEER)

Founder of Success Founders (Digital & Branding Company)

CO- Founder of Strat E-learning Group

I am Mayuri Jadav Shah, the **Founder of Success Founders**, a distinguished IT company. Alongside, I hold the role of **Co-Founder at the Strat E-Learning Group**. My journey as an IT Consultant & Branding commenced in 2012, and I've been dedicated to driving innovation ever since.

I embarked on my journey as an influencer and content creator earlier this year. Today, I proudly lead a thriving community with **over 60,000** devoted followers.

As a Creator

I'm actively assisting various startup companies in establishing and growing their online presence. Leveraging the power of digital marketing and crafting sustainable branding strategies personalised for brands. I'm dedicated to helping them achieve success in the digital realm.

In an effort to inspire and guide individuals to embark on their influencer journeys, I have authored a book titled **"Start Your Influencer Journey with Me."** This book aims to illuminate the path and unlock countless opportunities for the future.

My Work

Since the inception of my career as a content creator & brand consultant, I've also taken the initiative to organize enlightening seminars. These events are aimed at educating people about the **future of AI** and equipping them with the knowledge to excel in today's ever-evolving world.

I have had the privilege of hosting numerous seminars and workshops on diverse platforms, including Parul University, Sigma University, Jolly Hires, Indian Society for Training & Development (ISTD) and Amam Foundation, etc.

Join us on a transformative journey with #DigiWomen! We're launching an empowering initiative to champion women in digitalization. #DigiWomen is your gateway to awareness, education, and empowerment.

These engagements have covered a wide array of topics, including Digital Marketing, Branding and AI Tools. It has been a fulfilling journey, sharing knowledge and insights in these esteemed institutions.

I have worked with over **100+ brands** in this period, and because of that, I've had the chance to use my content to educate a lot of people.

In light of this, I am bringing influencers on board for an Instagram Live Session in the playlist **"Journey With Creators"**.
